

JESUS BECOMES FAMOUS ALL OVER GALILEE

(Capernaum, Galilee) — Jesus started to do his work for God by going to worship in Capernaum and teaching everybody about God. He told them God was close to them. He said, “Let God come into your heart and live inside of you.”

The people were amazed at how Jesus spoke to them. When he talked they knew Jesus knew exactly what he was talking about. They knew they could believe him. Jesus did not sound like other people they had heard talk to them. Instead, he sounded like someone who had come from God. They listened to him carefully and many people believed what he said.

Jesus also amazed people by healing a sick man. Soon he was famous. People all over Galilee soon knew who Jesus was.
